Karen,

I wanted to confirm the information you provided regarding the Parks and Recreation Advisory Team (PRAT).

It is my understanding that you have been informed that Ms. Gwendolyn Simmonds is on the committee, and that email is the best way to contact her. However, Ms. Simmonds does not open her emails from you till well after the meeting has passed, and she has not attended any meetings, or notified staff/PRAT Chairman that she will be unable to attend. Therefore, PRAT has difficulty of knowing, in advance, whether a quorum will be present.

I also understand that Mr. Paul Standish, PRAT member is concerned about the importance of having interested parties serve on this board so that PRAT can conduct business.

Please let me know if circumstances change. Thanks.

Christine
